

Advt. No. 31/Project/2023/HR

Interview for Project Field Operating Officer & P-SRF positions

Title of Project: Renewal of Access to Structural Biology Facilities at ESRF, France.

Duration: Till 23.03.2024.

1. Project Field Operating Officer

Age Limit: Below 40 Years

Essential Qualifications: Ph.D. degree in Natural Sciences or Biotechnology, minimum 60% marks in M.Sc. or equivalent degree. Practical knowledge of Macromolecular crystallography as well as protein biochemistry are required. The candidate should have extensive experience in protein structure determination and crystallographic refinement. The candidate should have experience of collecting X-ray diffraction and small angle X-ray scattering data at synchrotron sources. The candidate should have publications in International peer-reviewed journals. Candidates who have submitted PhD and are waiting for thesis viva are also eligible to apply.

Desirable Qualifications: The candidate should have the ability to guide PhD students and other users regarding X-ray diffraction and Small Angle X-ray scattering data collection using synchrotron source.

Principal Investigator: Dr. Deepak T. Nair, Professor

No. of Position: One

Emoluments: Rs. 54,520/- (Consolidated) per month.

2. Project-SRF

Age Limit: Below 40 Years

Essential Qualifications: M.Sc. degree in Natural Sciences or Biotechnology with NET qualification and minimum 60% marks. A minimum of four years Research experience and Practical knowledge of macromolecular crystallization, macromolecular crystallography and handling proteins and protein crystals is essential. The candidate should have experience and knowledge of preparing and shipping samples for X-ray diffraction data and Small-Angle-Xray-Scattering experiments and have publications in International peer-reviewed journals.

Principal Investigator: Dr. Deepak T. Nair, Professor

No. of Position: One

Emoluments: Rs. 35,000/- + 16% HRA per month.

Interested candidates should apply online by 1st November, 2023, 5:00 PM.
