ENGAGEMENT OF CONSULTANT AS SERVICE PROVIDER AT NCR Biotech Science Cluster

The NCR Biotech Science Cluster (NCR-BSC) has been established in Faridabad within the National Capital Region to foster biotech innovation through sharing of resources and expertise of the various member institutions of the cluster. Processes have been put in place to achieve the objectives of the cluster and there is already a significant synergy in functioning of the various cluster institutions at the operational and scientific levels. NCR Biotech Science Cluster aims to provide strategic support to national & regional research organizations in creation and integration of scientific, technical & business related frameworks that would accelerate and translate discoveries and carry out validation and transfer of product technologies to enterprises. The major initiatives/activities under taken during the year are as follows:

- Interim Office of Connectivity has been set-up.
- Common cluster facilities like the small animal facility, auditorium, student hostel, and common activities like the Electrical substation and general maintenance, horticulture/gardening, cafeteria, and campus security are fully operational and managed jointly by its current stakeholders, namely, Translational Health Science Technology Institute (THSTI) and Regional Centre for Biotechnology (RCB).
- Establishment and operation of other facilities such as Advanced Technology Platform Centre (ATPC), Bio-incubator (BBB), Indian Biological Data Centre (IBDC), etc as the shared service resources for the cluster and the nation.
- Monthly seminar series rotating within the cluster institutions initiated.

The operation of common facilities under the cluster concept has led to substantial savings to the government by pooling resources and avoiding duplication. Enhanced interaction among the scientists of the cluster institutions is expected to lead to interdisciplinary research and novel innovations.

NCR-Biotech Science Cluster, Department of Biotechnology

NCR Biotech Science Cluster Campus has a workforce of around 1000 people. About 500 people approximately support the canteen daily. It has a fully equipped cafeteria in the main Auditorium building. Food Service Provider(s) within the premises report through the Facilities Management.

Hence, in order to supplement the Cafeteria activities of the NCR Biotech Science Cluster (RCB & THSTI) and to achieve its objectives, expert consultancy service provider in the Hospitality Management area would be required
